

On The Edge Of Something New

Ledgeview's roots may be set deep in the stone of the Niagara Escarpment but we never stand still. Over recent years we have become one of the most desirable communities to live in-by building new roads, new neighborhoods, new business opportunities, new parks and a new brand that reminds us all to "Set our sights high."

Ledgeview offers a wide range of lifestyles - from country and waterfront living to family-friendly neighborhoods. Our future growth plan positions the town for easy accessibility and strong retail and commercial development.

Please take a moment to explore our website and contact us with any questions. We look forward to welcoming you to Ledgeview.
