

## Street Lights - Reporting an outage

Street lighting within the Town of Ledgeview is owned, operated, and maintained by Wisconsin Public Service (WPS).

If you notice that a street light is out in your neighborhood and would like to report it, please call WPS at (800) 450-7260.

Residents can also go to their [webpage to report the outage](#).

Please note that each street light pole has a unique number tag attached to it (See photo). Providing that number when contacting WPS regarding the outage is very beneficial.
