

Building Inspection

The Town of Ledgeview contracts building inspection services through eServices, LLC. The building inspector must be contacted in order to receive a building permit. To schedule an inspection, please text 920-493-2294 to start the process.

Permits are required for:

- Residential Buildings
- Duplex Buildings
- Garages/Accessory Buildings
- Residential Remodeling
- Excavation/Erosion Control Without Structure
- Residential Foundation Repair/Excavation
- Utilities
- Permanent Signs
- Barns for Private Use
- Docks
- In-Ground and Above-Ground Swimming Pools. All swimming pools are required to have a barrier in accordance with [Ordinance 135-16](#).
- Any Fences or Decks

In addition, a permit is required to move or demolish a structure. Retaining fees are required from contractors. Refer to [Permits and Forms](#) for a complete list of permits and submittal requirements.

Questions? Building inspection office hours are 8:00 a.m. to 10:00 a.m. on Mondays, Wednesdays, and Fridays.
