

Bulky Item & Electronic Drop-Off

News Release Date

10-10-2023

On September 30th, Ledgeview and Townline Recycling hosted a bulky item and electronics drop-off at our Public Works Shop located at 1915 Scray Hill Road. A total of 115 vehicles came through to discard their bulky items and electronics. This was such a huge success that Ledgeview plans to host another one in the Spring of 2024. Please stay tuned to our Facebook page, website, and newsletters for more details to come in April.

REMINDER: Ledgeview's current solid waste and recycling contractor (Harter's) does offer bulk pickup twice per month at the request of Ledgeview residents. Fees for large bulk pickup to be paid by resident varies by the amount and type of material being disposed of. Harter's can be reached at: 1-888-804-8556

Residents can also take their large bulky items to the Brown County Waste Transfer Station located at 3734 W. Mason Street, Green Bay, and their electronics and recycling to 2561 S. Broadway, Green Bay. Fees apply to both facilities.
